Re: Charitable Remainder Annuity Trust Agreement
Trust Corpus: \$1,200,000

Dear Mr. Okonkwo:

This letter confirms the establishment of your Charitable Remainder Annuity Trust ("CRAT") with National Christian Charitable Foundation, Inc. as Trustee, effective January 22, 2024. The material terms are as follows:

You have irrevocably contributed \$1,200,000 to the Trust. In exchange, you will receive a fixed annuity of 5.5% of the initial fair market value of the Trust corpus, which equals \$66,000 per year, payable in quarterly installments of \$16,500 each. This amount is fixed for the entire 15 years term of the Trust and does not fluctuate with investment performance.

Upon expiration of the 15 years term, all remaining Trust assets will be distributed to The Nature Conservancy.

As Trustee, we are authorized to invest Trust assets at our discretion using a balanced approach consistent with the annuity obligation. We will exercise all powers customarily granted to trustees under the New York Estates, Powers and Trusts Law.

Our annual Trustee fee is 1.00% of net Trust assets (initially \$12,000 per year), deducted quarterly. We will also be reimbursed for ordinary administrative expenses including tax preparation, custodial fees, and legal costs as incurred.

This Trust is irrevocable and qualifies under IRC Section 664(d)(1). We will file Form 5227 annually and provide you with Schedule K-1 for your personal tax return.

Please sign below to acknowledge your agreement to these terms. This document, together with the attached IRS prototype language (Rev. Proc. 2003-53), constitutes the complete Trust agreement governed by the laws of New York.

Sincerely,

James R. Patterson, Vice President
National Christian Charitable Foundation, Inc.

ACKNOWLEDGED AND AGREED:
